Louann Frino was an outstanding business educator throughout her career at Rincon High School. She wore many hats and taught many different business courses while she was there, but most importantly, she loved her students and they loved her. She will be dearly missed by family members, Rincon Ranger Family members, and her former students. Thank you Louann for the indelible mark you left on us while you were here on Earth. You are now enjoying yourself with the Lord above. Louann Frino, 2019 Rincon Ranger Foundation Hall of Fame, you are in my daily prayers forever.

What a lovely neighbor and friend you have been. The boys so enjoyed spending time with you and Dennis, having a swim and cookies. It was so fun sharing time at Skyline Woman's club, the theatre, the zoo, learning Mahjong. You were a bright light to everyone you met. I'm grateful for your friendship and you will be dearly missed.

Lots of love,

Melissa, Kingsley and Reign

I had so many fun times with Louann at DECA conferences, district meetings and luncheons. So many fond memories of traveling to ICDC and sharing a hotel room. Will never forge the time she and I were in LA during the riots. What an experience! So glad she was able to marry and travel to so many great places. She was a great daughter taking care of her mom. She will be missed.
